Basketball

The basketball team was captained by Newman Ertell, guard. His squad was composed of Townsend, Weldon, Traver, and Miller, veterans, and Robbins, Moore, Gunn, Bokelman, Linck and Krave, new men. In mid season Bill Betzner a star performer left school, materially weakening the team.

The season started off well, with the defeat of Assumption and Northwestern. Then came a peculiar run of 10 defeats, most of these defeats by three points, none more than six. The team recovered from the slump at the end of the season, won three straight games, and gave St. Mary's great, undefeated outfit a thrilling battle before succumbing by two points in the last game of the season.

On the annual trip, the City College team provoked universal respect in the hostile press through Indiana, Ohio and Kentucky.

Captain Ertell played his customary slashing, scrapping defensive game all season long. Besides this, he also placed high in the scoring column.

The twins, Gunn and Moore, just up from high school, developed into real performers, and should be stars of the first water next year.

Townsend, Traver, and Weldon played in and out ball, showing well at times and then dropping into mediocrity.

Miller played great ball when pressed hard, but he had a tendency to let down. Artie is a real star when the going's rough.

Robbins, another new letter winner, played fairly consistent ball all season. In the trip he found the net with regularity and broke into the lineup repeatedly.

Krave, Linck, and Bokelman lacked experience but show signs of promise.

The letter men from basketball are Captain Ertell, Miller, Gunn, Moore, Townsend, Weldon, Robbins and Traver. Subvarsity letters were awarded to Krave, Linck and Bokelman.

Next year Captain Ertell, Traver, Weldon, Miller, and Townsend will be absent.

NEUMIE ERTELL

"Heels" is a veteran City athlete. A star both at football and basketball.

He was captain of the 1924-25 basketball team and, playing at guard, he developed into a star both on offense and defense. "Neumie" is famous for his fighting spirit—he never says die.

VARSITY TRACK TEAM

Track

City College had, this year, the best track team in its history. The team was made up of stars as the point column will show.

Bill Seitz, who is capable of 12 feet, contributes great strength to the pole vault and was ably assisted by Rattray. Seitz usually wins his event by an easy margin.

Doherty, Gentile, and Blomfield, have shown great form in the high jumps. Doherty has jumped six feet one, and Gentile and Blomfield are constantly improving.

Zuber and Doherty are the weight men. The loss of Vincent, veteran weight man, has been a severe loss. If he becomes eligible, the Munics will be there in the strong arm events. Zuber is state intercollegiate title holder in the discus throw, which speaks for itself.

Edward Spence, former state interscholastic hurdles champion, has displayed excellent form in his events under Holmes' coaching. He took two firsts at Ypsi, winning against Peel, their Captain. Wagner also has shown good form in the low hurdles.

Captain Pat Blanchard is a tower of strength in 440, while Brown, Lampman, and the two Warriners have shown splendid form in the other middle distances.

Gordon Hill, veteran, and Kid Lange, have well taken care of the mile and two mile, with the able assistance of Beier, and Griffiths.

The only weak spot on the team is the dashes.

Litzenberger, former star sprinter, is unable to compete because of an ankle injury received in football.

Heston and Wagner are developing fast and either or both should come through soon.

The high spots of the indoor season were the good showing made at the Illinois relays, the capturing unofficially of the M. A. C. relays and the close losses to Ohio Wesleyan and Ypsi Normal's star teams.

At Urbana, against the best in the conference and the Middle West, Seitz tied for second in the pole vault. Doherty tied for fourth in the high jump. The mile relay team, composed of Pauschert, Lampman, Brown, and Blanchard, placed fourth although they broke the old record by more than a second.

Hill placed seventh in the 1000-yard event against strong and numerous competition.

At the M. A. C. relay carnival, the mile relay team again won and set a new record. The two mile relay team also won. This team was made up of Beier, Griffiths, Lange, and Hill. Seitz and Doherty won their events. All in all the Munics scored 29½ points and won the meet.

PAT BLANCHARD

Captain of the track team, Pat has made a name for himself among the minor colleges. An exceptional 440 man. Pat also runs anchor on the relay team which placed high at the Big Ten meet at Urbana and broke a record at M. A. C. relay carnival.

Swimming

Coach Norman Ross, nationally known swimmer, took charge of the City College web-feet this season. The squad was fortunate in getting permission of the Webster Hall new pool to practice in.

The combination of a new pool and an expert coach produced an undefeated team. The squad under Captain Peckham defeated Ohio Wesleyan, M. A. C. and Ypsi Normal twice. All meets were won in a very decisive manner. The team showed that its caliber is high enough to challenge any strong college or university team.

The squad was composed of Capt. Peckham, Manager Chaffee, McClellan, Stecker, Jeffries, Benjamin, Brabyn, Cork, Dickerson, Saperstein and Peters.

This undefeated squad contains some real stars.

McClellan and Stecker, breast stroke, always took first and second in their event. McClellan was former national champ, and Stecker was inter-scholastic champ.

Benjamin, former state M. A. A. U. diving champion, and Brabyn, the veteran of the squad, took good care of the diving events.

Capt. Peckham, Jeffries, Chaffee, Cork and Peters constituted the free stylers, and they swept these events in every meet. They also won the relay in every meet.

Peters, Jeffries and Chaffee, were the strong men in the back stroke and they repeatedly scored in this event.

Dickerson and Saperstein, plungers, completed the squad.

Coach Ross has developed a very strong team. With a stronger schedule next year City College will be on the aquatic map.

GEORGE PECKHAM

"Peck" was captain of this year's undefeated swimming team. An exceptional free style man, he also swam on the relay team. He scored high in every meet.

WALTER CHAFFEE

"Walt" was manager of the swimming team, but he also scored enough points to win his letter in the tank sport. Walt's events were the free style and back stroke.

Freshman Basketball

The '24-'25 basketball team is the first official City College Freshman squad. Meyer Blatt, former city basketball star, took charge of the Frosh. He had but little first-rate material and so he immediately started in to develop teamwork, in which he succeeded very well.

The team defeated the strong Ypsi Frosh, Port Huron twice, Eastern High, Bay City Junior, and they wound up by winning the intermural championship.

The season was marked also by the splendid showing against M. A. C.'s all star Frosh. The "Kids," lost both games, one by one point and the other by a small margin.

The team showed up well on the whole and several players of varsity caliber have been uncovered.

The squad was composed of the following men: Capt. Tatar, Powers, Raymond, guards; Foileman, Fead and Minton, centers; Alschuler, Montonte, and Rosenthal, forwards. Kaufman, former all state man, played in a few games. Gunn and Moore, varsity freshmen, played against M. A. C. Shecter starred in the intermurals, assisted by Evans.

TENNIS TEAM

	Foule	Hardin

Tennis

City College will place a tennis squad on the courts this year. Dauly, last year's campus champ, and team mainstay, will be back with Perring, and Weldon, other squadsmen. Several good high school players are present in school, including Farbinan and Donaldson from Central's championship team. On the whole, prospects are fairly bright.

Boxing

A boxing team has been organized by Coach Baker. His team engaged Michigan but lost through lack of experience and training. They made a good showing nevertheless. Baker has some good material which should develop.

Tumbling

A tumbling team to give exhibitions of this highly graceful art has been organized by Phil Gentile. This is an innovation and should be a success.

Intramural Athletics

FOOTBALL

Football was the first intramural combat after the flag rush.

The Freshmen and the Sophmores hooked up in a hectic battle for class honors. The Freshmen won 7-6, though the efforts of "Googles" Nelson and MacLaren, Nelson carried the ball over after a series of fine runs and passes, while "Mac" kicked goal.

A soph lineman provided a lucky kick late in the game when he blocked a frosh kick, picked up the ball and ran for a touchdown. Tennenbaum deliberated too long and consequently failed to kick good for the Sophs.

The Juniors refused to be left out of consideration. They raked together eleven men and decisively defeated the Sophmores 16-0. Phil Gentile, an inexperienced football man, made consistent sensational dashes off the tackles and Edleman seemed to have an uncanny gift of intercepting forward passes.

On the basis of comparative scores the Juniors have a strong claim for the championship or at least a tie for honors.

These games uncovered some players of high caliber.

TRACK

The Intramural track meet was very close. It was decided by the relay won by the Frosh, the final score was Frosh 61, Sophs 53, Juniors 17. As varsity men were allowed to compete, good times and marks were set. Gentile, a junior, sprang a surprise by winning the high jump from Doherty. It was a good meet waged with intense rivalry. Doherty was high scorer with 11 points for the juniors.

Three freshmen, Beier, Lange, and Lazarowsky, provided a trick finish in the 2-mile when they all finished in a tie.

BASKETBALL

The Frosh also won the cage honors by defeating the Sophs and Juniors in order, 24-21, and 49-11.

The Freshmen-Soph game was a thriller. The Frosh amassed a big lead during the first half whereupon the Sophs staged a comeback and almost tied the score.

Shecter and Gunn were the mainsprings in the Frosh floor game. Shecter on offense carried off scoring honors, while Gunn played a good defensive game.

Krave, Tennenbaum, and Winkworth stood out for the Sophs.

The Frosh showed some fine combination play to run up a score on the Juniors who failed to pass. Shecter again proved high scorer, while Gunn, with his great height had a field day on follow-up shots, collecting four of them.

The Sophs came back and decisively defeated the Junior quintet 49-23. The first half was close at 13-13, but the Soph attack centering around Krave and Winkworth gathered momentum and swept aside the Junior defense in the last half.

Harding collected four goals for the Juniors.

On form displayed during these three games the following men are picked or the all inter-class team.

Schecter, F; Krave, F; Gunn, C; Raymond, G; Winkworth, G.

Honorable mention for Bates, Tennenbaum, and Harding.

AL. LITZENBERGER

"Al" has played his last game for City College, as he leaves for Michigan next year. "Litz" has played for three years and was captain of the '23 outfit. Al is the fastest half-back who ever played for City. His defensive play against Mt. Pleasant on Thanksgiving Day, '24, was one of the features of the game.

JACK DUNCAN

A veteran end, Jack has played three seasons at Junior College and two at City College. He leaves us this year, renowned because on two successive Thanksgiving days he caught passes from the same thrower and scored on Mount Pleasant's strong teams. One of these teams was unscored on up to Thanksgiving.

JIM COLE

Jim is another war horse who will be among the missing next year. He played tackle for three years. Jim was also an excellent punter and his injury was a decided blow to the '25 squad. The Doctor never fully recovered in time to play his best.

BILL BOYD

Bill is another graduate. He played tackle for four seasons and is one of the best linemen ever to play for the Green and Gold.

BILL SEITZ

Seitz has worked for two years improving his "build" and his form under Coach Holmes. His patience has been rewarded. Today he ranks among the best pole vaulters in the country.

Bill was captain of last year's track team.

At Urbana he jumped 12 feet to tie for 2nd place against such stars as Brooker, Brownell, and McKeown. He has either won first or tied for first in every meet he entered since.

JACK DOHERTY

Doherty is another star who developed from mediocrity to excellence through hard work alone. Under Coach Holmes he has become a splendid high jumper and shot putter. At Urbana he tied for fourth against the best of the conference high jumpers with a leap of 6 feet 1 inch. He also places in the shotput consistently.

ARTIE MILLER

Artie played guard for three years on City's basketball team. He will not be back next year. When pushed, Artie was a real star. Always a great offensive threat, he repeatedly broke into the scoring by means of his dribbling ability.

GORDON HILL

A veteran distance man, Hill is always good for points in the mile and longer events. He placed high at Urbana among the best runners of the Middle West.

AL. ZUBER

State discus champion. Zuber is also a shot putter. He is good now and should develop into more than good.

DON LANGE

A "kid" of 17 who looks like a phenomenon. His event is the mile and he has shown great "form" in this event. With more coaching he should develop into a real star in the future with more physical attributes. He has taken first in several dual meets.

JIM VINCENT

Jim is a star athlete and his loss was greatly felt when he was declared ineligible. He starred on the gridiron as well as on the track.

Prominent Athletes Graduating

JACK DUNCAN has played football in this school for five years—three at Junior College and two at City College. Besides his brilliant football career he was also on the track team for two years.

RAY PILLSBURY was a record breaker on the track team. He was on the team for three years. In his second year he made a record for both the mile and the half-mile. He was captain the third year, but ill health kept him out of competition. He was known as "Long-Strides."

NEWMAN ERTELL has been prominent in athletics in this school for four years. He played football and basketball for four years and was captain of the basketball team this year. He was always called in the press "the diminutive quarter-back," but he made up for his size in fight.

MEYER BLATT is another first rank athlete to graduate, having been captain and played on the basketball team two years. Meyer also played on the football team one year. He was a whiz on the basketball court.

RUSSEL LIGHTBODY has the honor of being captain of the basketball team for three years. He was considered one of the fastest men ever to play on a local court. Besides this he played football for two years.

HAZEN "CHICK" DEVER played football for Junior College two years. The second year he was captain of the team, back in '21, that was undefeated and unscored on—a team that was known all over this section of the country. "Chick" played end and fullback.

WILLIAM "BILL" BOYD has played football for four years. The first year he wasn't a regular but he stuck out and has made the team every year since. He now is a three stripe man and is a fine example for anyone who doesn't make the team the first year.

Women's Athletics

Basket Ball has undoubtedly occupied the leading place on the Women's Athletic program for the season 1924-25. The season has been a very successful one and merited better support on the part of the students. Only one trip was undertaken, that to Toledo. Owing to the absence of Captain Berkowitz and other regulars, the team did not make as good a showing here as elsewhere but nevertheless those present were able to put up a fight which made Toledo realize that City College had a real team. Much commendation should be given Dale Goodall for her support of the team. While not a regular, she has been at every game and assisted as timekeeper, scorekeeper or any other odd job where she might be needed. Besides the regular schedule, one inter-class game was played with the Freshmen and Juniors lined up against the Sophomores and Seniors. The Freshmen and Juniors were represented by Cohen and M. Gowans, forwards; Martha Gowans side center; Hafner, jumping center; Sweitzer and Maurer guards; and the Sophomores and Seniors by Woodford and Woodworth forwards; Williams side center; Berkowitz, jumping center; Cole and Nixon guards. The score was 36-9 favor of the Frosh-Junior aggregation. Also a team composed of Freshmen and Sophomores met Highland Park Junior College at Highland Park. The final score was 29-14 favor City College. The regular schedule of the varsity team is given below with scores.

Teams		C. C. D.	Opp.
		Score	Score
Martha Holmes	vs.	C. C. D.	14
Bank of Detroit	vs.	C. C. D.	12
Teacher's College	vs.	C. C. D.	19
Y. W. C. A.	vs.	C. C. D.	26
Afa-Ofa	vs.	C. C. D.	26
Toledo	vs.	C. C. D.	40
Walkerville	vs.	C. C. D.	10
Teacher's College	vs.	C. C. D.	36

At the beginning of the new semester, the team felt the loss of Marion Gowans keenly, who left City College to continue her college work at Barnard College, but her place was soon filled by Mary Cohen. Miss Gowans acted as manager of the team until her departure, after which the position remained unfilled for the rest of the season. Those to receive varsity letters and sweaters were: Patty Woodford, Vesta Sweitzer, Queenie Berkowitz, Betty Woodworth, Mary Cohen, Martha Gowans.

WOMAN'S HOCKEY TEAM

(Top row) C. Tiller; H. Horney; M. Quinn; G. Altman
 (Bottom row) M. Knight; V. Cole; B. Paulus; E. Rambar; J. Nixon

A swimming team was organized at the beginning of the year composed of Jessica Nixon, captain, Marion Gowans, Virginia Cole, Marion Knight, Gertrude Mitchell, Dorris Selleck and Helen Jacobs. Owing to the necessity of making trips to Balch pool for practice the team became disorganized. Jessica Nixon as a representative of the Women's Swimming Association placed third in the 220 yard free style at a state meet at Lansing, showing the calibre of which the team was composed.

The tennis squad is composed of Norma Roemer, captain, E. Rambar, G. Maculsey, Bessie Gussin and Vesta Sweitzer, manager. Two tentative matches have been arranged with Ypsilanti, one to be played there and one at home, one with Kalamazoo, there, also a possibility of meeting Hillsdale, as this report goes to press. It is more than probable that more material will be added to the team at a later date, also more matches will undoubtedly materialize. Norma Roemer, captain, was winner of last year's cup, given to the champion among the women of the college.

A hockey team was also organized at the beginning of the fall term, composed of D. Hope, R. W.; A. Schulte, F. B.; J. Russell, R. H.; B. Paulus, C. H.; M. Knight, R. F.; J. Nixon, L. F.; D. Hafner, C. F.; V. Cole, L. W.; Quinn, L. H.; Horney, L. H.; E. Rambar, F. B.; Tillers, Goal; V. Vaughn. The only attempt at competitive play was the game with Teacher's College. The material of which the team was composed had had but little previous experience with the exceptions of Dorothy Hope, Virginia Cole and Marion Knight, who had played at Northwestern High. The game was a defensive one, City College recognizing the superiority of Teacher's College team from an experience standpoint. The game ended with a score of 5-0 favor of Teacher's College, but Miss Whitham, the coach, was pleased with the efforts of her team and expressed her admiration of their fine work. The lack of a field for practice was the cause of the breaking up of the team.

It is evident from the foregoing paragraphs that City College has much very good material in the athletic field, but that this material has not the proper facilities for expansion, each in his own particular field. However, this condition will undoubtedly be removed with the growth of the new four-year college, and when it is, we feel that other colleges have much to fear from City College girls competing in any field. Until that time, we can only do our best to support the teams which we have, be proud of the showing they make in spite of their handicaps and keep an eye on the future. This year's basketball team is a team that we may well be proud of and has much material for next and other years to which we may look forward.

Jack Duncan once asked a friend of his to go rabbit hunting out at Clawson, Michigan, where the rabbits abounded. So the two went out one Saturday morning. They hunted all day and didn't even see a rabbit. They finally began to shoot at trees just to hear the guns go off. Near the close of the day, the dog found the hiding place of a skunk, Jack stuck his gun into one end of the hiding place, his friend put his gun in the other end and both missed him. So they sent the dog for him. The dog found the skunk but never again did he find admittance to the Duncan menage. The friend would like to know if they ever found the rabbits.

Molly Zebrak finds time to referee basketball games for the Recreation in
addition to going to college.

DID YOU KNOW THAT—

In Switzerland the natives find it extremely difficult to put on their shoes without stooping over.

Scientists have proved that it is impossible for the elephant to build its nest for its young in the tops of trees, even the oka.

In certain parts of England the inhabitants have a great deal of trouble in eating grapefruit without squirting the juice in their eyes.

On cold days if a phonograph is not wound at intervals it will soon run down and stop. This will also happen on warm days.

Statistics show the people of Italy prefer to eat breakfast in the morning rather than any other time of the day.

Tom: Why did you specify in your will that your body be buried at sea?
Dick: Because my wife says that when I die, she'll dance on my grave.

* * * * *

LaMoyne Everhart and Leone Wangenheim are teaching dancing in their spare time. They also arranged the dances for the college opera "Sweethearts."

* * * * *

Lucile Mason is getting quite proficient in French. She introduced Mr. Clavel at a recent French lecture held at the Women's Federation.

Dependable Power  for Every Purpose

Experience

"I have but one lamp by which my feet are guided, and that is the lamp of experience."
—PATRICK HENRY.

Leadership with its responsibilities and its potential powers have accrued to Continental Motors as a result of experience.

Specialized experience developed the engineering knowledge which unlocked the obscure secrets of gasoline power.

And twenty-four years of cumulative effort have capitalized this experience in Continental's material resources, manufacturing skill, quality product and quantity output.

The final proof of successful experience is to be found in Continental's dominant position in the automotive industry and in its total output of more than 2,500,000 Red Seal Motors.

IN the words of one owner, the new Hupmobile Eight is literally "a performing fool." Its speed of pick-up literally lifts the hat off your head. And in acceleration—well, it gets away so fast it leaves the crowd half a block behind.

BETTER AND BETTER

Dependable ten years ago, and five years ago, and more dependable than ever today, Dodge Brothers Motor Car simply represents the latest phase in a process of continual betterment.

The first cars Dodge Brothers built established a world-wide reputation. The cars they are building today incorporate the accumulated refinements of those ten intervening years.

That important improvements in the comfort and appearance of the car are made from time to time, implies no basic departure from Dodge Brothers traditional policy of *progressive* rather than *seasonal* development.

The Greatest of All Electric Servants

Kelvinator Electric Refrigeration chills home refrigerators without ice. It supplies constant refrigeration day after day and month after month. Requires no attention. Freezes delicious desserts and crystal clear cubes of ice for table use.

Foods Actually Improve!

Kelvinator produces a crisp, frosty cold, many degrees colder than ice refrigeration produces.

The good things you keep in your refrigerator actually improve in this dry cold air. Meats "mellow." Green things "crisp up." The temperature remains always below 50 degrees.

The Kelvin-et
\$250.00 complete

Here you have Kelvinator and refrigerator in one compact unit. Easily moved. Requires only an electric connection. Occupies little floor space. Ideal for small homes and apartments.
