Abstract:	ALPA Photographs is a collection of photographic prints and negatives produced and compiled over decades. The materials came to the Reuther from what is currently known as the Communications Department; previous names of the department include Publicity and Public Relations, and ALPA Publications. The images collected appeared in the union's publications, including the Air Line Pilot, and in conjunction with various public relations tools, such as news releases. The prints and negatives document various events, individuals, subjects, and organizations related to ALPA. The main file type is the photographic print, with negatives comprising the remainder of the collection.

Scope and Content

Series 1 and 3 represent the bulk of the collection, with materials dating from the 1940s-1960s. The various events documented include ALPA conferences, conventions, and meetings. Air safety and pilot relations are among the subjects represented. The collection is strong in images of ALPA officers, pilots, and flight attendants. The "Stop Hijacking" folder in Series 2 contains a number of photographs with future United States president, George H. W. Bush.

Series 1: Photographic Prints, circa 1940s-1960s. Series 2: Photographic Prints, circa 1960s-1980s. Series 3: Photographic Negatives, circa 1940s-1960s.

[^ Return to Table of Contents](#)

Arrangement

Arranged in 3 series – Series 1 (Box 1-5), Series 2 (Box 6), and Series 3 (Box 7-9). The folders in each series are arranged alphabetically. An arrangement scheme for some materials in Series 1 and the entirety of Series 2 was imposed during processing due to the absence of a usable original order. Series 3 folders consist of negatives removed from Series 1, and their arrangement reflects that of Series 1.
