Processed: May, 1967

By: WW.

Accession No. 103

The papers of Walter Day were deposited with the Labor History Archives in May, 1964 by Walter Day.

Walter Day was born in Scotland on October 9, 1694. (This date is the one used by Mr. Day since he had no official record of his birth.) He moved to Windsor, Ontario where he lived for some years before moving to Detroit in 1934. He applied for naturalization for U. S. citizenship in 1939.

Mr. Day was very active in the union. His papers and clippings would lead one to believe that he was an avid follower of John L. Lewis. Indeed, Mr. Day became president of Local 12229, District 50, of the United Mine Workers in 1950. Mr. Day retired on October 9, 1959, at age 65.

The Walter Day Collection covers the period from 1933 to 1962.
