The papers of Yale Stuart were deposited with the Labor History Archives in May 1965 by Mr. Stuart, who at one time served as president of the Detroit Joint Board, United Public Workers - CIO.

The collection covers the period from 1945 to 1949.

The papers are copies of originals retained by Mr. Stuart. They document the activities of the United Public Workers and of Mr. Stuart as representatives of the employees of the City of Detroit.

The correspondence, arranged chronologically, is a file of outgoing letters, in the main, to officials of the Detroit government.

The remainder of the material is also arranged chronologically. It covers such areas as wage increases, right of municipal employes to enter into collective bargaining, representation elections and loyalty oaths.
