

THE CHARLES BECKMAN COLLECTION
PAPERS, 1933-1962
PREDOMINANTLY, 1936-1960
FOUR LINEAR FEET

Accession Number 892

The papers of Charles Beckman were deposited with the Archives of Labor and Urban Affairs in 1978 by Mary Beckman. The collection was processed and opened for research in May of 1979.

Charles Beckman was born in Mt. Pleasant, Pennsylvania, in 1901. His family later moved to Pittsburg, Pennsylvania, where he received his early education. In 1913, his family moved to Cleveland, Ohio, where five years later, he became an apprentice at the L.K. Comstock Company. He left soon after for a position as a trimmer at the Briggs auto plant. From 1919 until 1920, Mr. Beckman worked at the Fisher Body plant on Coit Road as a fireman, but was laid off until 1921 when he was rehired by Fisher Body as a trimmer.

After two unsuccessful attempts by the AFL to organize the plant in 1929, the company in response to the AFL's action, formed a company union in which Mr. Beckman was elected committeeman by the Trim Shop. However, he left the company union a year later and joined the AFL, Federal Local 14163 which struck the plant in 1932. Two years later, he joined the AFL Federal Local 18614. In 1936, it was chartered by the UAW as Local 45.

Since 1936, Mr. Beckman served eighteen consecutive terms as president of Local 45, and in between a term as vice president, as well as two terms as trustee. He also served for twenty years on the Shop Committee, eighteen of these as chairman. Mr. Beckman was active in the UAW's GM Sub-Council #3 and served as chairman of the Sub-Council for three years and secretary for two. In addition, he served three terms as a member of the GM Negotiating Committee. Mr. Beckman was also a delegate to the meetings which chartered the Cleveland District Auto Council, and later served seven terms as secretary and nine as president of that body. On two occasions he was elected vice president of the Ohio State CIO Council.

From the time that he participated in the organizational strikes at Fisher Body, Mr. Beckman recognized the importance of helping to organize wherever and whenever the occasion called. He was at many organizational meetings and picket lines of other unions. In addition to his efforts in labor organization and negotiation activities, he encouraged and took a leadership position in promoting picnics, dances, parades, and Christmas Parties. Mr. Beckman was also active in community affairs, in civil rights causes, and in opposition to fascism and war. He retired in 1960 and died on December 2, 1969.

The papers of Mr. Beckman reflect his work with Local 45 and the organizations with which it was affiliated and, to a lesser degree, his involvement in political and social issues.

Important subjects covered in this collection are:
