

Moses Alexander Collection

Papers, 1917-1918

**.25 linear feet
1/2 manuscript box**

Accession #1678
OCLC #

The papers in the Moses Alexander Collection consist of photocopies of the Idaho governor's correspondence relating to the suppression of the Industrial Workers of the World and to labor unrest in the mining, timber and farming industries located in the northern part of the state. The original correspondence may be found in the Idaho State Archives.
