

UFW Boycott-Nampa, Idaho Collection

Papers, 1966-1972

**1 linear foot
1 storage box**

Accession # 470
OCLC#
DALNET #

The papers of the Nampa, Idaho Boycott Office of the United Farm Workers were deposited at the Archives of Labor and Urban Affairs in 1977.

The activities of this office included working toward a state wide boycott of California iceberg lettuce, and gathering information about farm labor in the state itself. Several legal files are also included.

Important subjects in the collection:

Boycott
Farm legislation
