Abstract

The Executive Council (EXCL) was created in 1992 by the Board of Directors (BOD) at the 34th Meeting to replace the Executive Committee. Like the Executive Committee the Council draws its power from the BOD and is designed to help govern the Association when the BOD is not in session and also to interpret the Constitution, By-Laws and policy. All action taken is reported to, and subject to review by, the Executive Board. Unlike the Executive Committee the Council was not designed to make recommendations in policy.

The Council consists of the President, First Vice President, Vice President of Administration, Vice President of Finance, and Executive Vice Presidents who are elected for a two-year term by airline groups at the bi-annual BOD meeting. They must meet a minimum of once every three months, but usually meet between 6-8 times a year, and can be called into special session if needed. The Council covers mainly financial, accounting, organizational and administrative matters, although they also work on public relations, communications, education, legal, membership, retirees and insurance, policies and procedures, affiliations, hiring, awards, scholarships and donations.

This collection of the Executive Council encompasses the years 1992-2001, during which Captains J. Randolph Babbitt and Duane Woerth were the presidents of ALPA. Included are minutes, agendas, budgets, and background information on subjects covered by the council. The subjects covered in the Council records are varied but include: Air Safety, Mergers, Strikes, and Strike Policy, Collective Bargaining and Organizing, Terrorism, Air Traffic Control, and Flight Security. Specific subjects in these papers include: ALPA/CALPA Merger, IFALPA, International Pilot Services Business Plan, Land and Hold Short Operations (LAHSO), Neutral Pilot Panel, Piedmont Airlines Strike, and ALPA Field Office closings.
