

THE ROBERT C. MOEHLIG, M.D., COLLECTION

Papers, 1919-1960
.5 Linear Feet

Accession Number 145
L.C. Number

The papers of Robert C. Moehlig were placed in the Wayne State University Archives in December of 1964 by Dr. Moehlig.

Dr. Robert C. Moehlig graduated from the Detroit College of Medicine with the Class of 1913. As a medical student he was senior editor of the junior yearbook, Erythrocyte, published in 1913. Moehlig joined the College of Medicine faculty of Wayne University as an assistant professor of Endocrinology circa 1936. He subsequently became assistant, then associate professor of Clinical Medicine. Dr. Moehlig retired from teaching as Emeritus Associate Professor of Medicine circa 1959.

Moehlig was a recognized Internal Medicine specialist having published eighty to ninety articles on diseases related to the endocrine gland and served as chief of the Executive Diagnostic Group at Harper Hospital.

The papers of Dr. Robert C. Moehlig reflect an active, significant career as indicated by his correspondence with physicians and surgeons throughout the United States, in Canada and Europe. Among the correspondents are Dr. Harvey Cushing and Dr. Frederick C. Warnshuis.
