

Walter P. Reuther Library
Wayne State University Archives
Wayne State University, Detroit, MI

**Wayne State University
School of Medicine
Information Office Records**
18 linear feet (18 SB)
1978-2008, bulk 1980-2003

Finding aid written by Devin Erlandson on May 23, 2014.

Accession Number: WSR002523

Creator: Wayne State University School of Medicine Information Office

Acquisition: Donated to the Reuther Library.

Language: Material entirely in English.

Access: Collection is open for research.

Use: Refer to the Walter P. Reuther Library *Rules for Use of Archival Materials*.

Restrictions: Researchers may encounter records of a sensitive nature – personnel files, case records and those involving investigations, legal and other private matters. Privacy laws and restrictions imposed by the Library prohibit the use of names and other personal information which might identify an individual, except with written permission from the Director and/or the donor.

Notes: Citation style: “Wayne State University School of Medicine Information Office Records, Box [#], Folder [#], University Archives, Wayne State University.”

Abstract

This collection contains files created by the Wayne State University School of Information. The records consist primarily of biographical files of Medicine faculty and photographs; also included is a collection of audiovisual material. Biographical files contain resumes, reports, newspaper and magazine clippings, grant proposals, correspondence, publications, and research applications. Photographic materials include photographs, negatives, slides, and electronic media. Audiovisual formats include computer disks, compact discs, and audiocassettes.

Arrangement

Biographical files are arranged alphabetically by name. Photographic files are arranged alphabetically by subject. Audiovisual material is unarranged.

Biographical files:
