Abstract:
Local 31-M’s earliest manifestation, Local 191, began in 1938 with the organization of the Michigan Unemployment Compensation Commission (MUCC), the precursor to Michigan Employment Security Commission (MESC). MUCC was the first civil service agency within Michigan to become unionized. Initially an independent local, Local 191 eventually affiliated with the State, County and Municipal Workers of America. After facing several years of difficulty, Local 191 disbanded.

Despite the dissolution of Local 191, in 1941 MUCC was again unionized, this time by AFSCME affiliate Local 31. However, in 1960, Local 31’s lack of representation within its national affiliate led to its separation from AFSCME and subsequent affiliation with SEIU. SEIU Local 31-M was officially chartered on September 8, 1960 as a public sector labor union, representing Michigan employees, particularly those in the Michigan Employment Security Commission (MESC). Local 31-M was a member of Council 35, the coalition of all SEIU locals within Michigan, as well as a member of the Central States Conference. Local 31-M continued in this fashion until its merger with Local 517-M in the 2002.

The Local 31-M Records document former (from 1984-2001) President Victoria (Vicki) Cook’s (Vicki Cook Bumbaugh) and the Local’s involvement in politics at the local, state, and national levels, member affairs, and interaction with management and Michigan state offices and departments, primarily from the mid-1970s through the Local’s amalgamation into Local 517-M in 2002. The materials include correspondence, minutes, legal documents, requests for proposals, clippings, notes, and photographic materials.
