Luther M. Slinkard became active in union organizing at the GM plant in St. Louis, Missouri in 1933. He was secretary of the sit-down strike and a member of the local shop committee. Later that year, Slinkard was elected to one of five terms as executive secretary of the St. Louis CIO Council and board member of the Missouri State CIO Council. In 1942, Slinkard was appointed to the UAW Region 5 staff. He served as assistant director, area director, and administrative assistant before joining the International Union staff of the Social Security Department in 1957. He was assigned to the Wage Contract section of the Research Department for ten years before his retirement in 1969.

The papers of Luther M. Slinkard consist of correspondence, clippings, newsletters, minutes, proceedings, press releases, reports, bulletins, pamphlets, memos, reports and resolutions relating to his work for the Wage Stabilization Board, Region 5, and the International Union. The papers also include minutes and correspondence relating to the city politics and planning of Roseville, Michigan in the mid- and late 1960s.
