The papers of Wayne County AFL-CIO were deposited with the Labor History Archives in February 1963 by Wayne County Council.

The Wayne County AFL-CIO is the central organization for all AFL-CIO unions that have locals in Wayne County. This organization has grown along with the rise in unionization in the Detroit area. The leadership of Frank Martel was particularly significant in gaining acceptance of unions by the larger community. When the local unions supported it, the County organization was very important in offering financial assistance to organizing drives, in ending factional and jurisdictional disputes, and in supporting political candidates.

The Wayne County AFL-CIO Collection covers the period from 1918 to 1948.

Important subjects are:

- Sit-Down Strikes 1930's
- Formation of the CIO
- World War II Government Policies
- Attitudes toward Soviet Union, Communism
- Depression

Among the correspondents are:

Frank Martel, Sidney Hillman, Upton Sinclair, Huey Long, Henry Ford II, William Green, Harry Truman.

Governors: Fred Green, William Comstock, Murray D. VanWagoner, Harry Kelly, Frank Fitzgerald, Alex Groesbeck, Kim Sigler, G. Mennen Williams, Laren D. Dickinson, Frank Murphy

Senators: Arthur Vandenburg, Homer Ferguson, Prentis Brown, James Couzens.
