

UAW LOCAL 280 COLLECTION

Amalgamated Local 280, UAW has served as the bargaining agent for Continental Motors Corporation and Continental Aviation and Engineering Corporation of Detroit. In the past the Local also represented employees of the Detroit Engine Plant of Kaiser Corporation.

Of particular note in this collection is the documentation of the problems which arise with the closing of a plant, as did the Detroit Engine Plant in 1954.

This collection, which was presented by Nick Hyshka in December 1963, covers the period from 1946-1961. The emphasis is on the 1950's.

Correspondents of note include: Alvin Bentley, Edgar Kaiser, Norman Matthews, Emil Mazey, Leonard Woodcock.
