The papers of UAW Local 9 were deposited with the Labor History Archives in 1968 by Bendix Local 9.

UAW Local 9 services the Bendix Products Corporation of South Bend, Indiana. Local 9 was chartered by the American Federation of Labor in 1933 as the Bendix-Stromberg Workers Federal Labor Union #18347. This union then battled with the company union, Bendix Employees Association, for plant solidarity and control. Early in 1934 a strike vote was taken but later rescinded in favor of an agreement with the company. In 1935, after difference of opinion with the American Federation of Labor about the jurisdiction of the International Union of Automobile Workers, F.L.U. # 18347 affiliated with the new union, the United Automobile Workers of America and became Local Union #9, U.A.W. November 17, 1936 brought the first sit down strike in the auto industry to Local 9. Workers stayed in the plant for 6 days while agreements were worked out. By the agreement, Bendix Employees Association were denied the right to bargain and so was finally eliminated. Local 9 became the single authorized bargaining agent for Bendix Products Corp., South Bend. Since its organization in 1933, Local 9 has been a strong union and has been influential in labor issues as well as in community issues. For further brief outline, see "We" of Bendix Local 9.

Description of Series

The UAW Local 9 Collection is arranged in 7 series:

1. Financial Secretary- Treasurer
2. Recording Secretary
3. President
4. Vice President
5. Women's Auxiliary
6. Scrapbooks, & certificates
7. Addenda- Local 115

Within each series, the material is arranged chronologically. Subjects within a given year are arranged alphabetically. The first three series are the largest and most complete. There is some overlap within these series in so far as agreements, briefs, grievances and umpire decisions are found in all three series. Since these folders were arranged that way at the outset, they have been left in their original order as far as possible. A glance at the guide will locate the desired material for a given year.

Material includes correspondence, grievances, clippings, resolutions, minutes and scrapbooks.

Financial Secretary Treasurer - Series 1
