

## BLUEPRINT FOR ACTION

AS SUBMITTED BY THE STRATEGY COMMITTEE AND OVERWHELMINGLY  
ADOPTED BY THE MINISTERS MEETING AT MASON TEMPLE, FEBRUARY 25

OUR OBJECTIVE: JUSTICE (for the Sanitation workers according  
their demands) and  
JOBS (many jobs for the poor and Negroes).

### OUR IMMEDIATE STRATEGY:

1. A boycott downtown and including all branches of business  
downtown and the businesses owned by Councilmen.
2. No new clothes for Easter. Keep your money in your pockets.
3. Do not read, subscribe to or buy either of the two daily  
newspapers.
4. We want to try and mobilize the other 18,000 city  
employees.
5. Conduct nightly mass meetings beginning Monday at  
Clayborne Temple at 7:30 p. m.

EACH MINISTER IS ASKED TO GO BEFORE HIS PEOPLE AND URGE THE  
FOLLOWING:

1. Support the above 5 points.
2. Organize an action committee in each church.
3. Take offerings for the campaign and collect food for the  
workers.
4. Form a telephone committee to call each member of the  
church about the five points above.
5. Have each member to call at least five other people in  
support of this effort.
6. Ministers and members are asked to move through their  
neighborhoods encouraging people to join the boycott of  
downtown stores and their branches and all businesses named  
Loeb.
7. The ministers plan to march together.
8. Support the demonstrations which begin Monday, February 26  
meeting at 9:30 a. m. at Clayborne Temple.
9. Ministers must preach and teach soul-force.
10. People canceling their newspapers should if possible pay  
their carriers' wages.
11. Ministers can call white ministers they know and try to  
set them straight.
12. On a designated Sunday churches will be asked to leave  
their worship at a certain hour, march together downtown  
for a prayer meeting together.
13. When you cancel the newspapers also call the paper or  
write telling them why.
