STRIKE - CITY OF MEMPHIS, TENNESSEE

Representative T. O. Jones, in Memphis, Tennessee, reports that in excess of 750 municipal employees in that City are out on strike this a.m. The issues are:

- Recognition
- Grievance procedure
- Economics

The departments on strike are:

- Sewer
- Maintenance
- Street maintenance
- Sanitation
- Repair shop
- Tire shop

T.O. was not too coherent but he tells me that he met with the Director of Public Works - Mr. Blackburn, until 9:30 last night, to no avail.

Will advise of further developments.
