## Abstract

Part 1: The ALPA Contracts are a collection of pilot contracts ALPA negotiated by airline. Ranging from 1939 with their first agreement with American Airlines, to the mid-1980s the contracts reflect the many changes the airline industry went through during ALPA's first fifty years. Included are letters of agreements, memos of understanding, letters, mediation and arbitration agreements, and other negotiation materials.

Part 2: The ALPA Contracts Part 2 are a collection of pilot contracts ALPA negotiated by airline. Ranging from the 1950s to 1980s the contracts reflect ALPA's handling of many major technical innovations in airline history. Included are letters of agreements, memos of understanding, letters, mediation and arbitration agreements, and other negotiation materials.
