The papers of the Director of Laboratories, Dr. Wolf W. Zuelzer, were placed in the Archives of Labor and Urban Affairs in December of 1980 by Dr. Robert H. Gregg, President of Children's Hospital of Michigan. They were opened for research in February of 1984.

Wolf W. Zuelzer was born in Berlin, Germany on May 24, 1909. He received his medical degree from Prague University in 1935t and came to the United States for the completion of his postgraduate education in pediatrics and pathology. He received a medical degree from Wayne State University in 1943, in order to practice in the State of Michigan.

Dr. Zuelzer was appointed to the position of Pathologist at Children's Hospital of Michigan in 1940, and as Director of Laboratories in 1945, a position he held until his retirement in 1975. His association with the Wayne State University College of Medicine began with his appointment in 1941 as an instructor of Pathology. He gained the status of Professor of Pediatric Research in 1947. At its inception in 1955. Dr. Zuelzer was named Director of the Child Research Center of Michigan, this institution being affiliated with both Children's Hospital and the Wayne State University College of Medicine.

A recipient of the First Mead Johnson Award for Research in Pediatrics in 1948, Dr. Zuelzer was internationally known for his contributions in the field of Pediatric hematology. In 1975, he accepted a position as Associate Director for Blood Resources at the National Heart and Lung Institute in Washington, D. C.

In addition to his work in the field of Medicine, Dr. Zuelzer was a member of the Ferndale Board of Education. He also served as a member of the Board of Directors of the Oakland Symphony Orchestra,

The papers of Or. Zuelzer reflect his work in the field of Medicine and, to a lesser degree, the operation of Children's Hospital and the Wayne State University College of Medicine.
