

THE ALPHEUS F. JENNINGS, M.D. COLLECTION

Papers, 1914

Accession Number 397

Dr. Alpheus F. Jennings was Clinical Assistant to the Chair of Medicine at the Detroit College of Medicine in the early 1900's.

Contents

Scrapbook, 1914

The collection comprises one scrapbook of items relating to the Detroit Water Pollution Controversy, 1914. It includes newspaper clippings, editorials and correspondence concerning Detroit's water supply and its effect on public health, water purification and filtration crusade to reduce the city's typhoid rate. The correspondence is with W. H. Price, Health Officer of the Detroit Board of Health, 1914.
