THE WAYNE ADVOCATE is a student edited journal published semi-annually for the benefit of students of Wayne State University, its Law School, its Alumni, and the community.

Because of this diverse patronage it is our responsibility and our editorial policy to devote these pages to articles describing the kinetics of the legal system and its interrelationship with the dynamic society which it must serve, writings exploring frontier areas of the law, the process of legal education, and other essays of a non-traditional law review nature. Finally, THE ADVOCATE also reports developments of general interest at the Law School, including an annual Commencement Issue.

THE ADVOCATE invites persons to contribute articles of quality and significance consistent with these purposes.

You will find complete personal and corporate trust services available to you and your clients at National Bank of Detroit. The Officers of the Trust Department will welcome the opportunity to discuss these services with you at any convenient time and place.
